

INLINE HOCKEY RINK

• PDX Inline Hockey filed for non-profit status in October 2023*

"If you build it, they will come!"

this quote compelled a small group of dedicated Inline Hockey (roller hockey) parents to act on the closing of our only INDOOR Inline Hockey (roller hockey) rink in the Portland area after 25 years of serving the local youth community. The sudden rink closure displaced over 400 youth and adult roller hockey athletes and took away our ability to continue to grow the sport of Inline Hockey (roller hockey) in Portland.

Despite the subsequent chaotic search for a new facility, all the research boxes were finally checked and PDX Inline Hockey is very excited to announce our partnership with PDX Fieldhouse to develop, build, and open a new Inline Hockey (roller hockey) Rink in Beaverton.

Tackling this giant project building a new rink will allow the Inline Hockey community to continue playing and developing our beloved sport year-round and allow the Oregon Rollin' Reign youth program to continue to grow our membership and the love of Inline Hockey that our athletes carry with them in all four of our national championship North American Roller Hockey wins (2019 10U, 2021 10U, 2022 14U, 2023 14U).

Located just one block off Hwy 217 and Allen Boulevard in Beaverton, Oregon, the new Inline Hockey rink will include a Sport-Court surface, adult leagues, high school leagues and youth leagues. In addition, we plan to provide Learn to Skate, Learn to Play Inline Hockey (roller hockey), Public Skating, Drop-in Inline Hockey, Birthday Parties, and so much more!

Your generous financial donations, fundraising, and community help will support PDX Inline Hockey's mission of building hockey community and help us in building a new rink allowing Portland youth and adults to play Inline Hockey (roller hockey) once again.

At PDX Fieldhouse you will find structured youth sports programs for nearly all ages, skills, and commitment levels. We welcome the beginners wanting to experience a sport for the first time, players that want to get more training throughout the year, and the serious travel team players looking to compete.

Our philosophy is simple: Instill passion for the sports we love in all youth players. Our staff take pride in adapting coaching styles to develop our athletes at all ages and abilities.

Player development while having fun is the first priority for all PDX Fieldhouse youth sports. Teaching in an educational environment allows athletes to learn the basic skills, rules, and sportsmanship of a variety of sports, all under one facility.

Please consider donating to PDX Inline Hockey!

Portland NEEDS an Inline Hockey (roller hockey) rink, and your donations can make the difference. The adventure has begun! Together we can "SAVE PDX INLINE HOCKEY!"

PDX Inline Hockey Board of Directors thanks you for your support.

OREGON *REIGN* HISTORY

The **Oregon Rollin' Reign** travel team CO-ED youth roller hockey program grew from the dream of playing roller hockey at the national level against some of the best youth hockey program players worldwide. Established in 2019 by Al Rogers, Bryan Heim, and Trevor Whitmore the **Oregon Rollin' Reign** travel teams were born to do just that, compete at the national level. We are proud to say that our inaugural 10U travel team (10 players) won the national championship NARCh Finals gold medal in the club division (2019), making them national champions. In 2021 our 10U travel team repeated the win with back-to-back gold medals and the following years in 2022 and 2023, the Oregon Reign 14U travel team won gold at the NARCh Finals earning a third and fourth national championship. Within a little over five years, the **Oregon Rollin' Reign** have grown from 10 players to 100+ players competing in a sport they love.

CO-ED TEAMS:

8U | 10U | 12U
14U | 16U | 18U
